Dear Mr Yui,

On behalf of the Board of Directors of Homeopaths Without Borders, I wish to thank you for the generous \$544.25 donation you made to the Haiti Relief Fund.

We are a very small organization working with a limited budget. It can be a challenge to run an efficient operation responsible for so many possibilities. We appreciate the assistance your donation has provided to help us run more smoothly, to better serve our constituents in the homeopathic community and to continue to promote the benefits of homeopathy to the general public.

Once again, thank you for the donation.

Sincerely,

I thank you again
